

CALL FOR PAPERS

ICMaS
University POLITEHNICA of Bucharest,
Robots and Manufacturing Systems
Department,
313, Splaiul Independentei, Sector 6,
060042, Bucharest, ROMANIA,
Tel. +40 21 402 9420, +40 21 402 9174

In cooperation with

- Ministry of Education
- National University of Science and Technology POLITEHNICA Bucharest
- Industrial Engineering and Robotics Faculty
- National Authority for Qualifications
- Association ICMAS

The main conference fields are:

- Manufacturing Systems and Automation
- Smart and Digital Manufacturing
- Additive and Hybrid Manufacturing
- Production Planning and Optimization
- Robotics
- Industrial Logistics
- Industry 4.0 and Digital Twins for production optimization
- Advanced manufacturing technologies
- FEM and numerical analysis for manufacturing components
- Industrial reconditioning and life extension of mechanical systems
- Industrial management and marketing
- Experimental validation of manufacturing processes
- Education

Key dates for ICMaS 2026:

1. REGISTRATION, orgcom@icmas.eu
icmas74@yahoo.de – **As soon as possible**
2. PAPER SUBMISSION by E-mail (Word format), orgcom@icmas.eu – **01-05-2026**
3. NOTIFICATION of acceptance and PAPER REVIEW RESULTS – **16-06-2026**
4. FINAL VERSION of the paper by E-mail (Word format) – **15-07-2026**
5. Preliminary program – **15-10-2026**

The Robots and Manufacturing Systems Department,
from Faculty of Industrial Engineering and Robotics,
National University of Science and Technology
POLITEHNICA Bucharest

has the honor to invite you to attend the

35th International Conference on Manufacturing Systems

ICMaS 2026

Bucharest, Romania
12 November 2026

You are kindly invited to submit and present your original scientific contributions and to share knowledge, experience, research results, and information related to various topics in manufacturing systems. ICMaS 2026 represents a traditional and prestigious scientific event, reaching this year its thirty-fifth edition.

Selected papers presented at ICMaS 2026 will be published (online and printed versions) in the journal:

Proceedings in Manufacturing Systems (Proc in MS)
ISSN 2067-9238 | ISSN-L 2067-9238
Website: <http://icmas.eu>.

The journal *Proceedings in Manufacturing Systems* is indexed in ProQuest, Index Copernicus International, and Ulrichsweb Global Serials Directory.

The Organizing Committee would appreciate being informed about the authors and their submitted papers via the following e-mail addresses:

orgcom@icmas.eu

icmas74@yahoo.de.

Detailed and updated information can be found on the official conference website:

<http://conference.icmas.eu>

We are looking forward to welcoming you to the 35th International Conference on Manufacturing Systems – ICMaS 2026, in Bucharest, in November 2026.

Yours Sincerely,

George Constantin

Chairman
International Conference on Manufacturing Systems –
ICMaS 2026
